He has undertaken research in Cardiovascular Pharmacology at St Thomas Hospital and as an MRC Fellow at the Hammersmith Hospital in Cardiac Physiology and Nuclear Cardiac imaging. His Specialist Registrar training was completed in in General Medicine and Cardiology at the Chelsea and Westminster, St Mary's Paddington, Hammersmith, Royal Free and St Bartholomew's Hospitals.

Dr Rohan Jagathesan
BSc(Hons), MBBS, MRCP
Consultant
Physician & Cardiologist

NHS Service

Dr Jagathesan was appointed as a Consultant Cardiologist at the Princess Alexandra Hospital, Harlow and St Bartholomew's Hospital, London in 2005. His appointment reflects an active expansion of local cardiac services to include coronary angiography and pacing and will increase the accessibility of coronary intervention which he currently undertakes at St Bartholomew's Hospital.
