

CONSULTANT PROFILE

Consultant Cardiologist

Background

Dr Kelly graduated from Edinburgh University Medical School in 1986. He had junior doctor posts in Edinburgh and Leeds before undertaking his research studies, for which he was awarded an MD in 1995. He completed his training with registrar and senior registrar posts at the Royal Brompton Hospital.

Dr Kelly was appointed as a consultant cardiologist to Southend Hospital and the London Chest Hospital in 1997. Over the next ten years he played a pivotal role in developing the Cardiology Department at Southend.

He has been involved in the development of the Essex Cardiothoracic Centre from its inception and in 2007 was appointed as the Lead Cardiologist at the Essex CTC. He continues to have clinical sessions at Southend Hospital.

Special Interests:

- Percutaneous Coronary Intervention
- Management of Acute Coronary Syndromes
- Permanent Pacing
- General Adult Cardiology
