

CONSULTANT PROFILE

Consultant Plastic Surgeon

Qualifying in medicine in 1983, Mr Ramakrishnan undertook comprehensive training in plastic surgery in Australia and has been practicing reconstructive and cosmetic plastic surgery since 1987.

He currently holds the post of Service Director for Specialist Surgery at Broomfield Hospital, Chelmsford, Essex.

Mr. Ramakrishnan's sub-specialty is reconstructive breast surgery, cosmetic breast surgery, cosmetic facial surgery, liposculpturing and bodylifts.

He has a special interest in aesthetic and reconstructive surgery of the breast, performing many microsurgical breast reconstructions. This work forms a major part of his NHS commitment and he has made many presentations on the subject in national and international meetings.

He is (amongst others) a member of the British Association of Plastic Reconstructive and Aesthetic Surgeons, a Fellow of the Royal College of Surgeons and the Royal Australasian College of Surgeons
