

e-Rs update and workshop including lunch and hospital tour

at The Berkshire Independent Hospital, Wensley Road, Reading, Berkshire,
RG1 6UZ

Thursday 4th July 2024 10.30am to 12.30pm

This e-Rs update and workshop is to identify the best and most efficient use of the e-Rs system when referring NHS patients to secondary care. We will present on the **new functionality that was been implemented on 1 April 2024 by NHS England on the e-RS system**. This is a great opportunity to network with colleagues from other local practices and to meet key contacts at the Berkshire Independent Hospital face to face across all areas.
