# Private Patient **Manager**

As Fitzwilliam Hospital is committed to the provision of a first class, high quality experience for all patients, we provide a Private Patient Manager service.

Rebecca, Gaynor and Grace are available throughout consultation, treatment and aftercare to offer a personalised service to each patient dependent on their needs and wishes. They are able to provide the vital link required between patients and their Consultant facilitating a streamlined treatment pathway.

## **What our Private Patient Managers offer**

Rebecca, Gaynor and Grace will:

- Be a point of contact for all private patients.
- Manage the private patient journey.
- Walk patient's through the various stages of their private treatment and help with queries or concerns regarding referrals, insurance or anything else relating to their hospital stay.
- Ensure any special requirements are met before, during or after a patient's visit.

Rebecca, Gaynor and Grace can be contacted directly as follows:

# GP Liaison **Officer**

In order to facilitate relationships between Fitzwilliam Hospital and the wider healthcare community, we have a dedicated GP Liaison Officer working both in and around the Cambridgeshire and Lincolnshire area. Joanne Johnson is responsible for building and developing relationships between those referring their patients and the hospital providing this treatment. They are able to utilise the expertise of our Consultants to provide training and educational events to GPs, Practice Managers, Nurse Practitioners and Physiotherapists enabling continued professional development.

## What our GPL offers

Joanne will provide:

- Lunch and Learn educational sessions.
- Consultant-led training for professionals.
- Social events and GP networking opportunities.
- Medical secretary workshops.
- Online referral system support.
- GP referral literature and regular hospital updates.
- A direct liaison between referrers, Consultants and hospital services.

Joanne can be contacted directly as follows:

07468 568 776

Joanne.johnson@ramsayhealth.co.uk

Simply send a referral letter via our secure online system or post.

In the meantime your patient can contact their local Ramsay Hospital directly to arrange a convenient appointment.

If the patient does not contact us we will contact them to arrange an appointment according to the details provided on the referral.

To make a referral, simply visit [ramsayhealth.co.uk/health-professionals](https://ramsayhealth.co.uk/health-professionals) and complete the short form.

## Physiotherapy at **Fitzwilliam Hospital**

The Physiotherapy department comprises of a team of individuals who are well informed, compassionate and excellent in building a professional relationship with their patients.

All of our Physiotherapists are regulated and registered with The Health and Care Professions Council (HCPC). They are also registered members of the Chartered Society of Physiotherapy (CSP) and follow the strictest codes of professional conduct.

Helping you to live the life that you wish. Our ethos is to listen and to understand using our excellent communication skills coupled with the skill and knowledge of our profession to support you in the restoration of movement and function affected by injury, illness or disability through individualised treatment programs.

All physiotherapy patients have a treatment plan established on assessment by their physiotherapist, which is reviewed regularly during the course of their physiotherapy treatment. Treatment modalities used are supported by evidence and are determined by individual presentation.

NHS patients must be referred to physiotherapy by a consultant. However, patients who are using private medical insurance or are self paying can be referred either by a consultant or directly to the department by emailing [rhc.fitzwilliam.physiotherapyreferrals@nhs.net](mailto:rhc.fitzwilliam.physiotherapyreferrals@nhs.net).

Private patients are also able to self refer by contacting the hospital directly on 01733 261 717.

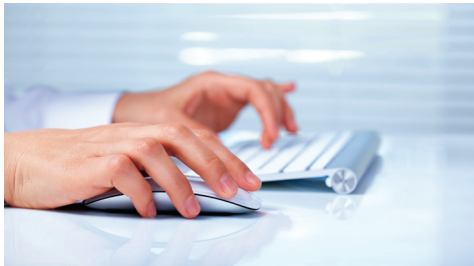

# Referring **Private Patients Online**

The Ramsay Health Care online Patient Referral system has been designed to allow you to refer private patients easily, quickly and securely to your Ramsay hospital of choice.

As well as being quick and easy to complete, using the online system will also help reduce your postage costs and speed up the referral process - all in a secure, online environment.
