Physiotherapy at Blakelands Hospital

The Physiotherapy Department is staffed by a team of professional and experienced Physiotherapists, using evidenced based practice we strive to provide the best in patient care.

All physiotherapy clients will have a treatment plan established on assessment based on the individual needs and goals of each client. This will be reviewed and updated as required regularly during the course of physiotherapy treatment.

Our Physiotherapy team offers a friendly and holistic approach to assessing, preventing and treating musculoskeletal problems, as well as helping to reduce the recurrence of problems in the future.

We are skilled in treating musculoskeletal conditions, including:

- Pre-operative rehabilitation (for orthopaedic procedures)
- Hand therapy (including splinting) Coming in 2026
- Shockwave therapy
- Back and neck pain
- Pre-admission assessment before orthopaedic procedures
- Sports injuries
- Strains and sprains - joints and muscles
- Repetitive Strain Injuries (RSI)
- Arthritic conditions

We accept private referrals from:

- Self-referral for insured and self-paying patients
- Consultants
- GPs

We are accredited with all major insurers.

To book a Physiotherapy appointment or to find out more information contact our friendly team on 01295 755 024.

Business Relations Manager

In order to facilitate relationships between Blakelands Hospital and the wider healthcare community, we have a dedicated Business Relations Manager working both in and around the Buckinghamshire and Bedfordshire area. Paula Russell is responsible for building and developing relationships between those referring their patients and the hospital providing this treatment. She is able to utilise the expertise of our Consultants to provide training and educational events to GPs, Practice Managers, Nurse Practitioners and Physiotherapists enabling continued professional development.

What our BRM offers

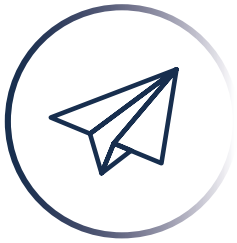

Paula will provide:

- Lunch and Learn educational sessions.
- Consultant-led training for professionals.
- Social events and GP networking opportunities.
- Medical secretary workshops.
- Online referral system support.
- GP referral literature and regular hospital updates.
- A direct liaison between referrers, Consultants and hospital services.
