Private Patient Team

As The Cherwell Hospital is committed to the provision of a first class, high quality experience for all patients, we provide a Private Patient Team service.

Our Private Patient Manager, Karen Nicholls and the team are available throughout consultation, treatment and aftercare to offer a personalised service to each patient dependent on their needs and wishes. They are able to provide the vital link required between patients and their Consultant facilitating a streamlined treatment pathway.

What our Private Patient Team offers

The team will:

- Be a point of contact for all private patients.
- Manage the private patient journey.
- Answer private patient queries within 24 hours Monday to Friday.
- Walk patients through the various stages of their private treatment and help with queries or concerns regarding referrals, insurance or anything else relating to their hospital stay.
- Ensure any special requirements are met before, during or after a patient's visit.

Karen and the team can be contacted directly as follows:

01295 755 010

cherwell.appointments@ramsayhealth.co.uk

Business Relations Manager

In order to facilitate relationships between The Cherwell Hospital and the wider healthcare community, we have a dedicated Business Relations Manager working both in and around the Oxfordshire area. Paula Russell is responsible for building and developing relationships between those referring their patients and the hospital providing this treatment. She is able to utilise the expertise of our Consultants to provide training and educational events to GPs, Practice Managers, Nurse Practitioners and Physiotherapists enabling continued professional development.

What our BRM offers

Paula will provide:

- Lunch and Learn educational sessions.
- Consultant-led training for professionals.
- Social events and GP networking opportunities.
- Medical secretary workshops.
- Online referral system support.
- GP referral literature and regular hospital updates.
- A direct liaison between referrers, Consultants and hospital services.

Paula can be contacted directly as follows:

07469 859 782

paula.russell@ramsayhealth.co.uk

Referring patients to The Cherwell Hospital or Blakelands Hospital

The Ramsay Health Care online portal has been designed to enable you to refer private patients easily, quickly and securely to their Ramsay hospital of choice.

To make a private referral, visit **ramsayhealth.co.uk/patientreferral** and complete the short form.

The Cherwell Hospital and Blakelands Hospital are able to receive self-funding, medically insured and NHS referrals. To refer an NHS patient, please use the e-Referral Service (e-RS).

Should you have any queries, please contact your dedicated Business Relations Manager or Private Patient Manager who will be happy to help:

Paula Russell - 07469 859 782 | paula.russell@ramsayhealth.co.uk - Business Relations Manager

Karen Nicholls - 01295 755 010 | karen.nicholls@ramsayhealth.co.uk - Private Patient Manager

Simply send a referral letter via our secure online system.

In the meantime your patient can contact their local Ramsay Hospital directly to arrange a convenient appointment.

If your patient does not contact us, we will contact them to arrange an appointment using the details provided on the referral.

Physiotherapy at The Cherwell Hospital

The Physiotherapy Department is staffed by a team of professional and experienced Physiotherapists, using evidenced based practice we strive to provide the best in patient care.

All physiotherapy clients will have a treatment plan established on assessment based on the individual needs and goals of each client. This will be reviewed and updated as required regularly during the course of physiotherapy treatment.

Our Physiotherapy team offers a friendly and holistic approach to assessing, preventing and treating musculoskeletal problems, as well as helping to reduce the recurrence of problems in the future.

We are skilled in treating musculoskeletal conditions, including:

- Pre-operative rehabilitation (for orthopaedic procedures)
- Hand therapy (including splinting)
- Shockwave therapy
- Back and neck pain
- Pre-admission assessment before orthopaedic procedures
- Sports injuries
- Strains and sprains - joints and muscles
- Repetitive Strain Injuries (RSI)
- Arthritic conditions
- Acupuncture

We accept private referrals from:

- Self-referral for insured and self-paying patients
- Consultants
- GPs

We are accredited with all major insurers.

To book a Physiotherapy appointment or to find out more information contact our friendly team on 01295 755 024.

Diagnostic Services Available at The Cherwell Hospital

Our service is run by a friendly team of experienced, qualified radiographers. Images are reported by a specialist Consultant Radiologist and sent directly to GP or referring healthcare professional, usually within 48 hours.

Radiology appointments can only be issued to the patient on receipt of a medical referral from a GP. The radiology form must be completed for all Private and Self Pay Radiology referrals and sent by secure email to **cherwell.appointments@ramsayhealth.co.uk**

Radiology Services available at The Cherwell Hospital

Acceptance Criteria for NHS Referrals at Ramsay Health Care UK

Standard Acceptance Criteria

Under the Standard Acute Contract that Ramsay Health Care UK hold with the NHS, our acceptance criteria for accepting NHS patients has been updated.

The only exclusions are:

- Patients under the age of 18 years of age.
- Patients with BMI over 40.
- A patient with an incapacitating disease that is a constant threat to life.

Please include NHS numbers and confirm all demographic details of the patient including full name, address and daytime telephone numbers including any mobile. Please ensure you include or send any relevant X-Rays, scans, test results, BMI, current medication, past medical history and any known drug allergies. All patients are assessed as suitable on an individual basis.

Our services are delivered at NHS tariff with no additional costs to patients or ICB's.

Find us on e-Referral Service, by searching for the service required.
