Acceptance Criteria for NHS Referrals at Ramsay Health Care UK

Standard Acceptance Criteria

Under the Standard Acute Contract that Ramsay Health Care UK hold with the NHS, our acceptance criteria for accepting NHS patients has been updated.

The only exclusions are:

- Patients under the age of 18 years of age.
- A patient with an incapacitating disease that is a constant threat to life.
- On the Mental Health Register with acute mental health condition.

Please include NHS numbers and confirm all demographic details of the patient including full name, address and daytime telephone numbers including any mobile. Please ensure you include or send any relevant X-rays, scans, test results, BMI, current medication, past medical history and any known drug allergies.

Our services are delivered at NHS tariff with no additional costs to patients or CCGs.

Free Hospital Parking.

NHS Coordinators: 01257 237 002 / 062

E-mail: outpatient.bookings@nhs.net

Find us on e-Referral Service, by searching for the service required.

Private Patient **Manager**

As Euxton Hall Hospital is committed to the provision of a first class, high quality experience for all patients, we provide a Private Patient Manager service.

Lisa Boddington is available throughout consultation, treatment and aftercare to offer a personalised service to each patient dependent on their needs and wishes. She is able to provide the vital link required between patients and their Consultant facilitating a streamlined treatment pathway.

What our Private Patient Manager offers

Lisa will:

- Be a point of contact for all private patients.
- Manage the private patient journey.
- Answer private patient queries within 24 hours Monday to Friday.
- Walk patients through the various stages of their private treatment and help with queries or concerns regarding referrals, insurance or anything else relating to their hospital stay.
- Ensure any special requirements are met before, during or after a patient's visit.

Lisa can be contacted directly as follows:

07766 316 354

lisa.boddington@ramsayhealth.co.uk

GP Liaison **Officer**

In order to facilitate relationships between Euxton Hall Hospital and the wider healthcare community, we have a dedicated GP Liaison Officer working both in and around the Chorley area. Angie Savage is responsible for building and developing relationships between those referring their patients and the hospital providing this treatment. She is able to utilise the expertise of our Consultants to provide training and educational events to GPs, Practice Managers, Nurse Practitioners and Physiotherapists enabling continued professional development.

What our GPL offers

Angie will provide:

- Lunch and Learn educational sessions.
- Consultant-led training for professionals.
- Social events and GP networking opportunities.
- Medical secretary workshops.
- Online referral system support.
- GP referral literature and regular hospital updates.
- A direct liaison between referrers, Consultants and hospital services.

Angie can be contacted directly as follows:

07393 766 548

angela.savage@ramsayhealth.co.uk

Diagnostic Services Available at **Euxton Hall Hospital**

Our service is run by a friendly team of experienced, qualified radiographers. Images are reported by a specialist Consultant Radiologist and sent directly to GP or referring healthcare professional, usually within 48 hours.

Radiology appointments can only be issued to the patient on receipt of a medical referral from the GP. The radiology form must be completed for all Private and Self Pay Radiology referrals and sent by secure email to **RHC.Euxtonxray@nhs.net**. To discuss any service or to book an appointment, please contact the Radiology Department on the direct line 01257 237 006.

Radiology Services available at Euxton Hall Hospital

Physiotherapy at **Euxton Hall Hospital**

Our hospital based physiotherapy and sports medicine centre utilises up-to-date technology and techniques to provide users with a tailored package of treatment for most conditions.

Being chartered and registered with the HCPC physiotherapists are able to provide a range of services, all supported by the hospital's latest diagnostic equipment and specialist consultants on-site. Services are all provided in a comfortable, friendly environment where clients receive a personal treatment plan following assessment.

Services include:

- Relief of arthritic conditions
- Rehabilitation of sprains and strains and relief and improvement of most joint problems
- Improvement of spinal conditions including neck, thoracic spine and lower back
- Pain management techniques and relief of headache and migraine
- Improvement of breathing dysfunctions
- Treatment of sports injuries
- Improvement of male and female bladder and bowel weakness
- Sports massage
- Personal training to reach specific goals
- Use of cybex isokinetic equipment to accurately diagnose areas of muscle weakness and enable efficient muscle building

Referring **Private Patients Online**

The Ramsay Health Care online Patient Referral system has been designed to allow you to refer private patients easily, quickly and securely to your Ramsay hospital of choice.

As well as being quick and easy to complete, using the online system will also help reduce your postage costs and speed up the referral process - all in a secure, online environment.

To make a referral, simply visit [ramsayhealth.co.uk/patientreferral](https://www.ramsayhealth.co.uk/patientreferral) and complete the short form.

MAKING AN **ONLINE REFERRAL**

1

In your browser go to www.ramsayhealth.co.uk/patientreferral.
Login with **Ramsayonline** and Password: **Ramsaygp**

2

Select the Ramsay hospital that you wish to send the referral to from the drop-down list

3

Attach a copy of the referral letter by clicking on 'Select' and adding the file or copy and paste it directly into the form

4

Complete the remainder of the form noting the mandatory fields marked with an asterisk

If the consultant is unknown please select 'specialty referral only'

5

Once you have completed the form, press the 'Submit' button to send the referral directly to the Ramsay hospital

6

You see an immediate confirmation that the referral has been received (also sent by email) and the hospital processes the referral
