Part of Ramsay Health Care

We are Ramsay Health Care UK

Ramsay Health Care is a leading, global private health care operator which has been delivering great care to patients for over 50 years, with 480 hospitals and facilities across 11 countries including Australia, France, Denmark, Sweden, Italy, Norway, Germany, Indonesia and the United Kingdom. As an established healthcare provider, Ramsay is known for operating quality hospitals, with exceptional facilities, outstanding standards of patient care and safety and importantly, happy and driven staff.

In the UK, Ramsay Health Care operates 37 facilities across England, including 4 day case hospitals, offering a range of elective procedures including Orthopaedic, Spinal Surgery, General Surgery, Women's and Men's Health and Ophthalmology, and 3 Neurological Rehabilitation Centres. Ramsay is the largest Independent Health Care Provider of NHS elective care to the NHS, delivering 3% of all NHS commissioned elective surgery in 2018/19.

The culture of Ramsay Health Care centres on always striving to do the right thing for the patient. The strapline 'People caring for People' is not just a statement, but a reflection of the values set out in The Ramsay Way, which is the promise all Ramsay staff sign up to when they join the company, and something the organisation works hard to ensure that it remains the focus of its business.

Ramsay UK is committed to working in partnership with referrers and providers within our local healthcare economies to offer the highest quality care to all our patients working with our experienced clinicians and teams. **Simply, People Caring for People.**

Partnership with the NHS

Ramsay is committed to **developing partnerships** with the NHS to work **collaboratively** and meet the **health needs** of communities to deliver **efficient** and **safe** care to all. Ramsay believes every patient has the right to decide where they are treated, and actively seeks **opportunities** to build capacity in areas of **unmet demand** to satisfy locations where health inequality is clear. With **strong financial stability**, Ramsay is well positioned for continued growth and management of our facilities.

Hospital Director Introduction

Euxton Hall Hospital continues to focus on delivering high standards of patient care in a friendly and approachable manner - our consistently high scoring patient feedback is testament to this. Working with our partners, which include local GPs, Consultants, CCGs and other specialists, we deliver an individual, personal service to patients which is responsive and tailored to meet their needs.

Working within the Department of Health guidelines, we screen patients for MRSA, and have a strong focus on patient safety. Cleanliness is vital to minimising infection. Our hospital staff are fully trained in the latest procedures, we invest heavily in quality improvements for our patients and our staff. We are inspected by respective authorities and thus maintain all areas to the highest standards.

Any patient who wishes to satisfy themselves on the quality of the hospital and it's Consultants can be reassured by the Care Quality Commission (CQC) report, undertaken by the Department of Health which support the hospital's excellent reputation. We look forward to welcoming you to Euxton Hall Hospital.
