People Caring  
for People

**Oaklands  
Hospital**

Part of Ramsay Health Care

## We are **Ramsay Health Care UK**

Ramsay Health Care is a leading, global private health care operator which has been delivering great care to patients for over 50 years, with 480 hospitals and facilities across 11 countries including Australia, France, Denmark, Sweden, Italy, Norway, Germany, Indonesia and the United Kingdom. As an established healthcare provider, Ramsay is known for operating quality hospitals, with exceptional facilities, outstanding standards of patient care and safety and importantly, happy and driven staff.

In the UK, Ramsay Health Care operates 37 facilities across England, including 4 day case hospitals, offering a range of elective procedures including Orthopaedic, Spinal Surgery, General Surgery, Women's and Men's Health and Ophthalmology, and 3 Neurological Rehabilitation Centres. Ramsay is the largest Independent Health Care Provider of NHS elective care to the NHS, delivering 3% of all NHS commissioned elective surgery in 2018/19.

The culture of Ramsay Health Care centres on always striving to do the right thing for the patient. The strapline 'People caring for People' is not just a statement, but a reflection of the values set out in The Ramsay Way, which is the promise all Ramsay staff sign up too when they join the company, and something the organisation works hard to ensure that it remains the focus of its business.

Ramsay UK is committed to working in partnership with referrers and providers within our local healthcare economies to offer the highest quality care to all our patients working with our experienced clinicians and teams. **Simply, People Caring for People.**

## Partnership **with the NHS**

Ramsay is committed to **developing partnerships** with the NHS to work **collaboratively** and meet the **health needs** of communities to deliver **efficient** and **safe** care to all. Ramsay believes every patient has the right to decide where they are treated, and actively seeks **opportunities** to build capacity in areas of **unmet demand** to satisfy locations where health inequality is clear. With **strong financial stability**, Ramsay is well positioned for continued growth and management of our facilities.

### Karen Pattison **Hospital Director**

Hello and a warm welcome from Oaklands Hospital, Manchester. Oaklands Hospital is one of Greater Manchester's leading private healthcare hospitals, based in Salford, we have nearly 30 years of experience of providing healthcare to those in need and we are constantly responding to the changing needs and demands of our patients.

The hospital has a strong heritage within the local community and is committed to working and strengthening stakeholder relationships locally, whilst also expanding into the peripheral boundaries. The hospital is known for and proud of its consultant and matron led care offering a personalized, patient centric service to all users. We are proud of this heritage and the hospital that we have become today.

The hospital has been rated Good by the CQC regulator. The highly skilled clinical and consultant team are also focused on enhancing the hospital governance framework to move us towards achieving 'outstanding' in the CQC domains. Oaklands has also recently achieved JAG accreditation which adds to the quality indicators attained at site level. Whether we are treating a private or NHS patient all will receive the same high standards and no waiting lists.

Finally, the cost of our self-pay treatment is more affordable than you think, with our transparent and competitive all-inclusive prices readily available. Should you have any questions about any of our services then do not hesitate to contact me.

## About **Oaklands Hospital**

At Oaklands Hospital we offer fast access to the highest standards of care, so people know they can trust us to help them get better quickly. As the biggest provider of NHS procedures after the NHS you can count on first class treatment.

We offer consultant led care from some of the most well-qualified and experienced specialists in their field of expertise.
