Aquablation Therapy at Pinehill Hospital

We are very proud to be offering Aquablation Therapy on the NHS and privately at Pinehill Hospital; this is an advanced, minimally invasive treatment for BPH (benign prostate hyperplasia/enlarged prostate) that uses imaging, robotics, and a heat-free waterjet to provide long-lasting relief with low rates of complications.

Aquablation pricing

New patient initial consultation price - £220 (not included in procedure package).

Procedure package price - £11,205 (includes surgery and one post-operative consultation).

If further tests are required, separate charges will be applied. You will be advised of these during your initial consultation. Routine pre-operative tests are included.

How do I book?

This treatment is available for all patients with a benign enlarged prostate. If you are paying for yourself, just call the number below to make an appointment. If you are using your private medical insurance, please call your insurance company to obtain an authorisation number.

Private Patient Appointments Team: 01462 427 227

Diagnostic Services Available at Pinehill Hospital

Our service is run by a friendly team of experienced, qualified radiographers. Images are reported by a specialist Consultant Radiologist and sent directly to a GP or referring healthcare professional, usually within 48 hours.

Radiology appointments can only be issued to the patient on receipt of a medical referral from the GP. The radiology form must be completed for all Private and Self Pay Radiology referrals and sent by secure email to **pinehill.radiology@ramsayhealth.co.uk**

Radiology Services available at Pinehill Hospital

Rapid Diagnosis Breast Clinic at Pinehill Hospital

This Clinic has been developed to help ease the anxiety of breast symptoms, such as the discovery of a breast lump. You will see our highly experienced and skilled Consultant Breast Surgeon; Mr Neil Johns.

Quick Appointments

The Rapid Diagnosis Breast Clinic is held on Monday evenings.

Quality Care

A dedicated team of specialists is on standby in the Breast Clinic to care for your specific needs when you are worried about breast problems.

The professional team includes:

- A Consultant Breast Surgeon
- Mammography Specialist Radiographer
- A Consultant Radiologist
- Breast Care Nurse

Rapid Results

In most cases you will return the same day to see your Consultant as the result will be available on the day, but occasionally further tests are needed to give a conclusive result. If this should happen you will be given a date for your follow up appointment prior to leaving the clinic.

Costs

The cost of the full breast examination will vary depending on the tests required to obtain a definitive result.

Package Price - From £595 - Includes one diagnostic test (either mammogram or ultrasound of breast) and same day follow-up consultation. Further Consultant Surgeon follow-ups from £150 appointment fee (not included in package). If further tests are required, separate charges will apply.

How do I book?

This clinic is available to anyone with breast symptoms. If you are paying for yourself, just call the number below to make an appointment. If you are using your private medical insurance, please call your insurance company to get an authorisation number.

Private Patients Appointment Team: 01462 427 221

Referring Patients to Pinehill Hospital

The Ramsay Health Care online portal has been designed to enable you to refer private patients easily, quickly and securely to their Ramsay hospital of choice.

To make a private referral, visit **ramsayhealth.co.uk/patientreferral** and complete the short form.

Pinehill Hospital is able to receive self-funding, medically insured and NHS referrals. To refer an NHS patient, please use the e-Referral Service (e-RS).

Should you have any queries, please contact your dedicated Business Relations Manager or Private Patient Manager who will be happy to help:

Jackie Rush-Collins - 07469 196 776 | jackie.rush-collins@ramsayhealth.co.uk
- Business Relations Manager

Simone Barnard and her team - 01462 427 227 | simone.barnard@ramsayhealth.co.uk
- Private Patient Manager

Simply send a referral letter via our secure online system.

In the meantime your patient can contact their local Ramsay Hospital directly to arrange a convenient appointment.

If your patient does not contact us, we will contact them to arrange an appointment using the details provided on the referral.

Private Patient Team

As Pinehill Hospital is committed to the provision of a first class, high quality experience for all patients, we provide a Private Patient Team.

Our Private Patient Manager, Simone Barnard, and her team are available throughout consultation, treatment and aftercare to offer a personalised service to each patient dependent on their needs and wishes. They are able to provide the vital link required between patients and their Consultant facilitating a streamlined treatment pathway.

What our Private Patient Team offers

The team will:

- Be a point of contact for all private patients.
- Manage the private patient journey.
- Answer private patient queries within 24 hours Monday to Friday.
- Walk patients through the various stages of their private treatment and help with queries or concerns regarding referrals, insurance or anything else relating to their hospital stay.
- Ensure any special requirements are met before, during or after a patient's visit.

Simone and her team can be contacted directly as follows:

Business Relations Manager

In order to facilitate relationships between Pinehill Hospital and the wider healthcare community, we have a dedicated Business Relations Manager working both in and around the Pinehill Hospital primary care catchment area. Jackie Rush-Collins is responsible for building and developing relationships between those referring their patients and the hospital providing this treatment. She is able to utilise the expertise of our Consultants to provide training and educational events for our primary care community enabling continued professional development.

What our BRM offers

Jackie will provide:

- Virtual/hybrid and face-to-face educational sessions.
- Consultant-led training for professionals.
- Face-to-face Basic Life Support Training for clinical and non-clinical GP surgery staff.
- Social events and GP networking opportunities.
- Medical secretary workshops.
- Online referral system support.
- GP referral literature and regular hospital updates.
- A direct liaison between referrers, Consultants and hospital services.

Jackie can be contacted directly as follows:

07469 196 776

jackie.rush-collins@ramsayhealth.co.uk

Simply send a referral letter via our secure online system or post.

In the meantime your patient can contact their local Ramsay Hospital directly to arrange a convenient appointment.

If the patient does not contact us we will contact them to arrange an appointment according to the details provided on the referral.

To make a referral, simply visit ramsayhealth.co.uk/health-professionals and complete the short form.
