# Private Patient **Manager**

As Woodland Hospital is committed to the provision of a first class, high quality experience for all patients, we provide a Private Patient Manager service.

Liz Radford is available throughout consultation, treatment and aftercare to offer a personalised service to each patient dependent on their needs and wishes. She is able to provide the vital link required between patients and their Consultant facilitating a streamlined treatment pathway.

## **What our Private Patient Manager offers**

Liz Radford will:

- Be a point of contact for all private patients.
- Manage the private patient journey.
- Answer private patient queries within 24 hours Monday to Friday.
- Walk patients through the various stages of their private treatment and help with queries or concerns regarding referrals, insurance or anything else relating to their hospital stay.
- Ensure any special requirements are met before, during or after a patient's visit.

Liz Radford can be contacted directly as follows:

01536 536 854

PPS.Woodland@ramsayhealth.co.uk

# GP Liaison **Officer**

In order to facilitate relationships between Woodland Hospital and the wider healthcare community, we have a dedicated GP Liaison Officer working both in and around the Northamptonshire and Leicestershire area. Sarah Long is responsible for building and developing relationships between those referring their patients and the hospital providing this treatment. She is able to utilise the expertise of our Consultants to provide training and educational events to GPs, Practice Managers, Nurse Practitioners and Physiotherapists enabling continued professional development.

## **What our GPL offers**

Sarah Long will provide:

- Lunch and Learn educational sessions.
- Consultant-led training for professionals.
- Social events and GP networking opportunities.
- Medical secretary workshops.
- Online referral system support.
- GP referral literature and regular hospital updates.
- A direct liaison between referrers, Consultants and hospital services.

Sarah Long can be contacted directly as follows:

07818 518 796

sarah.long31@nhs.net / sarah.long@ramsayhealth.co.uk

# Acceptance Criteria for NHS Referrals at Ramsay Health Care UK

## Standard Acceptance Criteria

Under the Standard Acute Contract that Ramsay Health Care UK hold with the NHS, our acceptance criteria for accepting NHS patients has been updated.

The only exclusions are:

- Patients under the age of 18 years of age.
- Patients with BMI > 40 - (41-44 subject to review)
- A patient with an incapacitating disease that is a constant threat to life.
- On the Mental Health Register with acute mental health condition.

Please include NHS numbers and confirm all demographic details of the patient including full name, address and daytime telephone numbers including any mobile. Please ensure you include or send any relevant X-Rays, scans, test results, BMI, current medication, past medical history and any known drug allergies.

Our services are delivered at NHS tariff with no additional costs to patients or CCGs.

Free Hospital Parking.

NHS Coordinators: 01536 536 889

E-mail: [rhc.woodlandappointments@nhs.net](mailto:rhc.woodlandappointments@nhs.net)

Find us on e-Referral Service, by searching for the service required.

# Diagnostic Services Available at **Woodland Hospital**

Our service is run by a friendly team of experienced, qualified radiographers. Images are reported by a specialist Consultant Radiologist and sent directly to GP or referring healthcare professional, usually within 48 hours.

Radiology appointments can only be issued to the patient on receipt of a medical referral from the GP.

## Radiology Services available at Woodland Hospital

### Diagnostic

CT

CT (guided pain management)

U/S (non-interventional)

U/S (interventional)

MRI

X-Ray

Urodynamics

\*services listed above are for Private and Self Pay Patients.

# Physiotherapy at **Woodland Hospital**

The Physiotherapy Department is staffed by professional and experienced clinical Chartered Physiotherapists. We work to Physiotherapy Chartered Society Standards supporting best practice and will strive to provide the best in patient care.

The department contains 4 spacious treatment rooms and a large fully equipped gym. All physiotherapy patients have a treatment plan established on assessment by their physiotherapist, which is regularly reviewed during the course of physiotherapy treatment.

We aim to see private referrals within 48 hours of referral. Referrals are accepted from GPs and Allied Professionals. Self paying patients may refer themselves for physiotherapy. Discharge reports are sent to the patient and the referrer when the patient has completed treatment. Packages of care can be provided for patients with long term rehabilitation requirements.

Referrals can be emailed to [rhc.woodland-physiotherapy@nhs.net](mailto:rhc.woodland-physiotherapy@nhs.net).

## **Physiotherapy Services Includes:**

- Musculoskeletal problems including back/neck pain
- Sports and soft tissue injuries
- Shockwave
- Acupuncture
- Women's Health/Continence

# Consultant **Medical Secretaries**

We hope by providing you with direct contact details, it will enable you faster access to Consultant secretaries regarding queries relating to Private patients being treated at Woodland Hospital. All queries relating to Woodland NHS patients please call NHS Coordinators 01536 536 889.
