Private Patient **Team**

As Woodthorpe Hospital is committed to the provision of a first class, high quality experience for all patients, we provide a Private Patient service.

Jodie Ball and Maisie Hunt are available throughout consultation, treatment and aftercare to offer a personalised service to each patient dependent on their needs and wishes. They are able to provide the vital link required between patients and their Consultant facilitating a streamlined treatment pathway.

What our Private Patient Team offers

They will:

- Be a point of contact for all private patients.
- Manage the private patient journey.
- Answer private patient queries within 24 hours Monday to Friday.
- Walk patients through the various stages of their private treatment and help with queries or concerns regarding referrals, insurance or anything else relating to their hospital stay.
- Ensure any special requirements are met before, during or after a patient's visit.

The Private Patient Team can be contacted as follows:

Business Relations **Manager**

In order to facilitate relationships between Woodthorpe Hospital and the wider healthcare community, we have a dedicated Business Relations Manager working both in and around the Nottinghamshire area. Philip Cheng is responsible for building and developing relationships between those referring their patients and the hospital providing this treatment. He is able to utilise the expertise of our Consultants to provide training and educational events to GPs, Practice Managers, Nurse Practitioners and Physiotherapists enabling continued professional development.

What our BRM offers

Philip will provide:

- Lunch and Learn educational sessions.
- Consultant-led training for professionals.
- Social events and GP networking opportunities.
- Medical secretary workshops.
- Online referral system support.
- GP referral literature and regular hospital updates.
- A direct liaison between referrers, Consultants and hospital services.

Philip can be contacted directly as follows:

0115 920 9209 ext 141

philip.cheng@ramsayhealth.co.uk

Simply send a referral letter via our secure online system or post.

In the meantime your patient can contact their local Ramsay Hospital directly to arrange a convenient appointment.

If the patient does not contact us we will contact them to arrange an appointment according to the details provided on the referral.

To make a referral, simply visit [ramsayhealth.co.uk/health-professionals](https://www.ramsayhealth.co.uk/health-professionals) and complete the short form.
