Private Patient **Manager**

As The Yorkshire Clinic is committed to the provision of a first class, high quality experience for all patients, we provide a Private Patient Manager service.

Jo Moore is available throughout consultation, treatment and aftercare to offer a personalised service to each patient dependent on their needs and wishes. She is able to provide the vital link required between patients and their Consultant facilitating a streamlined treatment pathway.

What our Private Patient Manager offers

Jo Moore will:

- Be a point of contact for all private patients.
- Manage the private patient journey.
- Answer private patient queries within 24 hours Monday to Friday.
- Walk patients through the various stages of their private treatment and help with queries or concerns regarding referrals, insurance or anything else relating to their hospital stay.
- Ensure any special requirements are met before, during or after a patient's visit.

Jo Moore can be contacted directly as follows:

GP Liaison **Officer**

In order to facilitate relationships between The Yorkshire Clinic and the wider healthcare community, we have a dedicated GP Liaison Officer working both in and around the Yorkshire area. Tom Delaney is responsible for building and developing relationships between those referring their patients and the hospital providing this treatment. Tom is able to utilise the expertise of our Consultants to provide training and educational events to GPs, Practice Managers, Nurse Practitioners and Physiotherapists enabling continued professional development.

What our GPL offers

Tom can provide:

- Lunch and Learn educational sessions.
- Consultant-led training for professionals.
- Social events and GP networking opportunities.
- Medical secretary workshops.
- Online referral system support.
- GP referral literature and regular hospital updates.
- A direct liaison between referrers, Consultants and hospital services.

Referring **Private Patients Online**

The Ramsay Health Care online Patient Referral system has been designed to allow you to refer private patients easily, quickly and securely to your Ramsay hospital of choice.

As well as being quick and easy to complete, using the online system will also help reduce your postage costs and speed up the referral process - all in a secure, online environment.

To make a referral, simply visit [ramsayhealth.co.uk/patientreferral](https://www.ramsayhealth.co.uk/patientreferral) and complete the short form.

MAKING AN ONLINE REFERRAL

1

In your browser go to
www.ramsayhealth.co.uk/patientreferral.

Login with **Ramsayonline**
and Password: **Ramsaygp**

2

Select the Ramsay hospital
that you wish to send the
referral to from the
drop-down list

3

Attach a copy of the
referral letter by clicking on
'Select' and adding the file or
copy and paste it directly
into the form

4

Complete the remainder
of the form noting the
mandatory fields marked
with an asterisk

If the consultant is unknown please
select 'specialty referral only'

5

Once you have completed
the form, press the
'Submit' button to send
the referral directly to the
Ramsay hospital

6

You see an immediate
confirmation that the referral
has been received (also sent
by email) and the hospital
processes the referral
